COMPROMISE LAW.

Episcopal House of Deputies
Adopts One Affecting
Divorced Persons.

IS SIMILAR TO THE OLD CANON.

Permits the Remarriage of the Inno-
cent Person in a Divorce For
the Cause of Infidelity.

But the Event Can Not Take Place
Within One Year After a De-
cree Has Been Issued By
a Civil Court.

Boston, Oct. 21.—By an overwhelm-
ing majority a compromise canon on
the remarriage of divorced persons
was adopted by the house of deputies
of the Episcopal general convention
Thursday and if it is concurred in by
the house of bishops, the most impor-
tant issue that has come before the
present convention will be disposed
of for at least three years. The com-
promise measure, like the old law, per-
mits the remarriage of the innocent
person in a divorce for the cause of
infidelity, but further provides that no
remarriage shall be allowed within
one year after a decree has been is-
sued by a civil court. Satisfactory
proof of the innocence of the appli-
cant for remarriage must be furnished
in the shape of court records, and af-
ter the consent of the bishop is obtain-
ed, a clergyman may refuse to per-
form such a ceremony without sub-
jecting himself to censure or disci-
pline.

In the opinion of Francis A. Lewis,
of Philadelphia, a member of the com-
mittee on canons who favored no re-
marriage of any divorced persons, but
who accepted the compromise, the
canon adopted Thursday is so strict
that if indorsed by the bishops, it will
practically put the church, as he ex-
pressed it, "out of the divorce busi-
ness." Others, however, claimed that
they saw "loopholes" in it. The vote
on the passage stood: Clericals, 52
dioceses for, 7 against, 2 divided. Lay
vote, 46 dioceses for, 5 against and 2
divided.

The house of bishops Thursday
nominated Rev. Henry D. Aves, of
Houston, Tex., for missionary bishop
of Mexico, to have supervision over
English-speaking congregations in that
country.

IN MANCHURIA.

Apart From Skirmishes There Is Al-
most Complete Suspension of War.

St. Petersburg, Oct. 21.—Apart from
skirmishes and exploits of scouting
parties there is almost a complete sus-
pension of operations in Manchuria.
The heavens have interposed to put a
stop to bloodshed. Rain, impassable
roads and exhausted armies are fac-
tors sufficient in themselves to explain
the cessation of hostilities, and these
conditions are aggravated by a dense
fog overspreading the whole of the
theater of war. Behind this pall either
side would be able to change the dis-
position of whole forces in absolute
secrecy; but the obscurity renders ab-
solutely dangerous any attempt at a
forward movement. When the curtain
of mist is lifted the fighting may be
resumed under totally changed condi-
tions.

AT PORT ARTHUR.

Number of Japanese Killed Before the
Forts Was 50,000.

Che Foo, Oct. 21.—According to a
camp follower, who has been for some
time with the Japanese army now be-
sieging Port Arthur and who is at
present in Che Foo, having arrived
from Dalny, the number of Japanese
killed before the forts has reached 50,-
000. He says the mikado's men reck-
lessly attacked the strongest positions,
making wild rushes in masses, the sol-
diers being stripped of their accoutre-
ments and clothing. The result was
that the Russian machine guns mowed
them down. He also asserts that
there is some talk among the officers
and men that leads to the belief that
the Japanese mean to try to carry the
inner forts and citadel this month.

Judgment For \$5,000 Damages.

Harrodsburg, Ky., Oct. 21.—In the
circuit court here Clarence Steele was
awarded a judgment for \$5,000 dam-
ages against the Southern railway.
Steele was badly hurt in the wreck
near this city last June. He sued for
\$15,000 damages.

Action Was Deferred.

Louisville, Ky., Oct. 21.—A resolu-
tion was offered in the Kentucky
Grand Lodge of Masons to refuse ad-
mittance to liquor dealers applying for
membership. A heated discussion fol-
lowed, and action was deferred for a
year.

POLICEMAN IS HELD.

Suspected of Being An Accomplice In
the Back Murder.

Jackson, Ky., Oct. 21.—The Breath-
itt county grand jury Thursday return-
ed indictments against Abilla Back
and Govan Smith, charging them with
the murder of "Ticky" Jim Back here
two weeks ago. Smith is a member
of the Jackson police force. Back was
shot through the head while in the
yard of the dwelling occupied by his
divorced wife, Abrilla Back. The lat-
ter at the examining trial confessed
that she killed Back. It is alleged
that she did it with a pistol belonging
to Policeman Smith. "Ticky" Jim
Back was the star witness for the de-
fense in the trial of Curtis Jett, who
is now serving a sentence in the peni-
tentiary for assassinating Attorney
Marcum.

THE AGE OF NINETY.

Joseph Wilhite Garr Expired at His
Homestead at Louisville.

Louisville, Ky., Oct. 21.—Joseph
Wilhite Garr died Wednesday night at
his homestead near Riverview Park.
He was 90 years old, was a friend of
James Guthrie, secretary of the treas-
ury under the administration of Presi-
dent Buchanan; of William Preston,
father of Mrs. W. L. Draper, wife of
the recent minister to Italy; Charles
Wickliffe, grandfather of Gov. Beck-
ham; Henry Clay and others. Mr.
Garr is survived by his widow and
two sons.

TEACHER WOUNDED.

The Son Attacked Him While the Fa-
ther Shot the Dominic.

Morganfield, Ky., Oct. 21.—James
Fletcher, a well to do farmer, shot
Carl Buchanan, a schoolteacher, late
Thursday afternoon. The trouble
came up over Buchanan whipping
Fletcher's daughters. Fletcher and his
son went to the schoolhouse, and
while the son attacked the teacher
with a club, the father shot through
the window, hitting the teacher in the
jaw. The wound will likely prove
fatal.

Funeral Instead of a Wedding.

Versailles, Ky., Oct. 21.—Mr. and
Mrs. John D. Warfield, of Chicago,
who came here to attend the wedding
of Mrs. Warfield's sister, Miss Kath-
erine Graves, and Mr. Chester Ayres,
were called home suddenly before the
ceremony took place by a telegram an-
nouncing the unexpected death of Mr.
Warfield's brother, Roy Warfield.

Death of Maj. Isaac Calhoun.

Owensboro, Ky., Oct. 21.—Maj. Isaac
Calhoun, one of the leading citizens
of McLean county, is dead. He was
the son of Judge John Calhoun, a fa-
mous jurist of the early days of the
last century. He held a commission
as major in the Seventeenth Kentucky
United States volunteers.

Two Residences Burned.

Hickman, Ky., Oct. 21.—The resi-
dences of Rev. Mr. Stancill and W. A.
Dodds were destroyed by fire. The
residence of Chas. Baltzer was saved
by vigorous fighting. The origin of
the fire is unknown, but probably from
spontaneous combustion of some coal
in the cellar.

After the Coin.

Louisville, Ky., Oct. 21.—Richard P.
Ernst, chairman of the republican
state central and state campaign com-
mittees, is in New York to get money
from the Republican national com-
mittee to put into the Third, Fifth and
Ninth congressional districts of Ken-
tucky.

Goes to the Penitentiary.

Georgetown, Ky., Oct. 21.—In the
Scott circuit court Church Brown,
charged with the murder of French
Lair, was sentenced to the peniten-
tiary for 18 years. Lair was the mil-
ler at Stone's Mill, near Stamping
Ground, and Brown was an employee.

Blaze at Fort Thomas.

Fort Thomas, Ky., Oct. 21.—The Mid-
way was visited by a disastrous con-
flagration Thursday afternoon that, be-
fore it was got under control, con-
sumed three business houses, causing
a loss estimated at \$18,000 and the in-
jury of three soldier fire fighters.

Yaqui Indians Kill Americans.

Chihuahua, Mex., Oct. 21.—Davis
Richardson, president of the Labufa
Mining and Milling Co., of Labufa,
Mex., reports that the bands of Yaqui
Indians have killed five Americans
near Labufa within the past three
weeks.

Dropped Dead at the Fair.

St. Louis, Oct. 21.—After a drink of
ice water Isaiah E. Aultman, 52 years
old, of Bryan, O., dropped dead Thurs-
day in the United States government
building at the World's fair grounds.

Cardinal Gibbons is strongly in fa-
vor of women voices in the choirs of
the Catholic churches of the United
States.

PANAMA TROUBLE.

The American Marines Will Be
Retained on the Isthmus
For the Present.

PREPARED TO MEET EMERGENCIES.

A New Battalion of Marines Will Be
Sent About November 15 to
Relieve Those There.

The Secretary of War, William H.
Taft, Will Go To the Isthmus on
the Dolphin, Leaving Tampa,
Fla., November 14.

Washington, Oct. 21.—American mar-
ines will be retained on the Isthmus
of Panama for the present, prepared
to meet any emergency which may
arise as the result of the disgruntled
elements in the new republic. This
decision was reached Thursday and
orders have been issued for a new bat-
talion of marines to go to the Isthmus
about November 15 to relieve the bat-
talion which has been there for a
year. The new battalion will be com-
manded by Lieut. Col. Thomas N.
Wood.

The exact number of men in this
new battalion has not been decided on

GEN. GEORGE W. DAVIS.
(Governor of Panama Canal Strip.)

but it probably will be of about the
same size as the battalion now on the
Isthmus, which is to be brought home
and dispersed among the marine bar-
acks in the northern part of the United
States.

That the situation on the Isthmus
is still not all that could be desired is
the news which came to Washington
Thursday in a personal letter from an
official now in Panama. It is hoped
that the mission of Secretary Taft will
have a far-reaching effect in bringing
all elements into harmonious accord
with this government's policy.

Secretary Taft will go to Panama on
the United States Steamship Dolphin.
In response to the president's request
to the secretary of the navy to pro-
vide a vessel for Secretary Taft, the
navy department has selected the Dol-
phin. The Dolphin will be immedi-
ately put in preparation for the trip,
and it is proposed that Secretary Taft
should meet her at Tampa, Fla., and
sail from that port for the Isthmus on
November 14.

While Panama, in the treaty with
the United States, willingly gave to
this country full control of the canal
zone, ten miles wide across the Isth-
mus, it did not intend to relinquish its
entire sovereignty, and, according to
the Panamanians, the latter find them-
selves treated as residents of a for-
eign country on either side of the can-
al lands which runs across the mid-
dle of their republic.

The fact that the canal line extend-
ed to the cities of Panama and Colon
and that these two towns are express-
ly left outside of the zone of United
States' control, makes the situa-
tion more anomalous. The United
States has established custom houses
within the canal zone and assesses the
Dingley rate of duty on all goods en-
tering there from Panama, just as
from other foreign countries.

Misinterpretation by the United
States and Panama, and bad faith in
putting its terms into execution, is the
principal accusation of the little Isth-
mian republic against this country.
Differences between the Panama gov-
ernment and Gen. Davis, governor of
the canal zone, arising out of alleged
undue exercise of authority by the lat-
ter, are what have caused the present
situation, which the president regards
as serious enough to have a personal
investigation made by Secretary Taft.

Created under the auspices of the
United States, the newest republic has
become so irritated against its spon-
sor that it was threatening to with-
draw its diplomatic representatives
from this country.

Panama, Oct. 21.—The news from
Washington, that Secretary of War
Taft is to come to the Isthmus next

month, accompanied by Minister Obal-
dia and William Nelson Cromwell,
counsel of the Panama Canal Co., to
arrange the matters in controversy be-
tween the United States government
and Panama and the declarations of
President Roosevelt on the subject are
received with satisfaction in all cir-
cles. President Andor is in receipt of
messages of congratulation from all
parts of this republic.

MONEY ORDERS.

A Record Breaking Year Reported By
the Government.

Washington, Oct. 21.—The total
number of money orders issued by this
government during the last fiscal year
passed the 50,000,000 mark for the first
time in history, as shown by the an-
nual report of the superintendent of
the money order system. The net rev-
enue of the money order business was
\$2,280,403, an increase of \$288,494 as
compared with the previous fiscal year.
The gross revenue was \$3,626,676, an
increase of \$376,282. The number of
domestic orders issued was 50,392,554,
aggregating \$378,778,488, and interna-
tional money orders issued numbered
2,208,344, aggregating \$42,550,150. Do-
mestic money orders paid and repaid,
\$915,836; fees received from issue of
domestic orders were \$3,039,440; from
international, \$444,980. There are 36,-
031 domestic and 6,913 international
money order offices in operation up to
to-day, against 34,547 domestic and 6,-
322 international in operation June 30,
1903. The issue of domestic orders
increased 4,450,873 in number and \$25,-
150,840 in amount, while international
orders issued increased 291,195 and
\$7,312,215 respectively.

MILITARY ACADEMY.

The Annual Report of the Superintend-
ent, Gen. Mills.

Washington, Oct. 21.—In his annual
report Brig. Gen. Mills, superintendent
of the military academy, dwells on the
need for an infectious disease build-
ing on the grounds of the academy, as
there had been a number of cases of
such diseases during the past year.
The discipline of the cadets is said to
be satisfactory and they are showing
an increasing disposition to comply
willingly with authority, adhere to
regulations and refrain from ill-treat-
ing the fourth class men. The aca-
demic instructions have been main-
tained at a high degree of efficiency
which Gen. Mills attributes in large
part to the fact that the instructors,
graduates of the academy, are of great
ability. He urges that only the best
men be detailed to the academy for
that purpose. The assignment of many
officers to the general staff, he says,
has greatly reduced the number of
available for duty as instructors at
the academy and certain changes in
the detail laws are suggested to reme-
dy this difficulty.

TO PROTECT TRAVELERS.

A Permanent Organization Was Per-
fected at St. Louis.

St. Louis, Oct. 21.—As an outgrowth
of the Exposition Travelers' Aid com-
mittee, formed to protect women and
children coming to the World's fair, a
permanent organization to be known as
"The American Alliance of the Travelers
Aid," was perfected Thursday at a
meeting of the International Board of
Women's and Young Women's Chris-
tian associations. This perma-
nent body will be affiliated with the
international board and the scope of
its activities will extend throughout
the United States, through the agen-
cies of the Women's Christian asso-
ciations.

THE PEACE SOCIETY.

Mass Meeting Held in Cincinnati
Preparatory to Organizing
an Auxiliaries.

VIGOROUS WAR AGAINST WAR.

Charles F. Thwing Gave Several Reas-
ons For Hopefulness For Estab-
lishment of Arbitration.

Baroness Bertha von Suttner, of Aus-
tria, Reviewed the Good Work of
the 200 Peace Organi-
zations in Europe.

Cincinnati, Oct. 21.—Preparatory to
the organization here of an auxiliary
of the American Peace society, a mass
meeting was held Thursday night.
Music hall, with a seating capacity of
over 5,000, was filled. The meeting
was opened by William Christie Her-
ron, leader of the local organization.
Prayer was offered by Bishop Walden.
Judge Rufus B. Smith presided. In the
absence of Melville E. Ingalls, who
had been selected as president, mak-
ing a strong speech against arma-
ment even for the Philippines.

Charles F. Thwing, president of
Western Reserve university and Adel-
bert college, was the first speaker, giv-
ing reasons for hopefulness for the
permanent establishment of arbitra-
tion.

First—The increasing breadth of the
human mind which is becoming more
comprehensive in knowledge and more
reasonable in judgment.

Second—The increasing self-re-
straint of the human will, people be-
coming less excitable and mobile.

Third—The increasing power of as-
sociations, such as boards of trade,
chambers of commerce, clubs, social,
literary, philanthropic and others.

Fourth—The increasing good will be-
tween England and America.

Fifth—The increasing oneness of
the world.

Sixth—The increasing goodness of
the world.

While discussing his fourth reason
and showing how the good will be-
tween the Anglo-Saxon nations has in-
creased during the past decade, Dr.
Thwing was most enthusiastically ap-
plauded.

Baroness Bertha von Suttner, the
Austrian author, reviewed the work
of the 200 peace organizations in Eu-
rope that were combating the skeptics
who doubted the possibilities of
arbitration doing away with war. She
gave an interesting account of an in-
terview with President Roosevelt, who
advised her that he would soon com-
municate with other powers relative
to treaties for arbitration. She insist-
ed that the Russo-Japanese war would
continue for three years or more if
left to arms and appealed for imme-
diate interference in the far east and
for the active co-operation of America,
through the peace societies that are
to be organized.

Dr. David Brown Clark, of London,
for 20 years a member of parliament
and who opposed the Boer war, said
he had heard that militarism was
now being feared in this country and
urged that it be crushed out. He com-
mended the work of Andrew Carnegie
and other Americans, predicted that
there would never be another war be-
tween Anglo-Saxon nations and held
that the Anglo-Saxons could prevent
war among other nations.

The meeting closed with an address
by Benjamin F. Trublood, of Boston,
secretary of the American Peace so-
ciety, on the demand of humanity for
the organization of auxiliary societies
and a war against war. Baroness von
Suttner will travel throughout the
United States and organize peace so-
cieties in the cities and large towns.

ARMED COLOMBIANS.

Rumored That a Large Body Concen-
trated Near Culebra.

Colon, Oct. 21.—There is a rumor
current here that a large body of armed
Colombians has been concentrated
near Culebra with the intention of
making an attack there on November
3, the first anniversary of the seces-
sion of Panama from Colombia. The
canal zone authorities are investigat-
ing the report, though not much impor-
tance is attached to the rumor, the
origin of which is attributed to mal-
contents.

Brussels, Oct. 21.—All difficulty in
reference to the erection of the An-
drew Carnegie palace of peace has
been satisfactorily arranged. A plot
adjoining the wood lying between The
Hague and Scheveningen will be pur-
chased.

St. Louis, Oct. 21.—In a football
game played at the World's fair stadi-
um Thursday St. Louis university de-
feated the University of Kentucky, of
Lexington, by the score of 5 to 0.

Weather Forecast.
Fair to-night and Saturday.

DEMOCRATS, two weeks from Tuesday and the battle will be over. There is no time to waste. Find out what your neighbor is going to do, and if he is out of line, try and show him the error of his way. A little missionary work at this time may prove a good thing.

This campaign will settle all Republican claims to Kentucky. Governor Beckham redeemed it last year with 23-000 majority and this year the Democrats will try and increase that. All future Republican nominations in the State will be made solely with Federal offices in view as a salve for their wounds.

It is not easy to get excited over the tariff, but when the head of every family in Kentucky realizes that he digs down in his pocket every year for \$94, which goes to the protected trusts, he may sit up and take a little notice. If a burglar were to relieve him of one-tenth of the sum, he would set up a howl for the police that could be heard in the remotest regions of the frozen North, even overtaking Kuropatkin, the speed marvel. But say "tariff" to him and he will go to sleep.

A GENTLEMAN who happened to be in Greenup the other day when Hon. J. N. Kehoe was in town says to a man up a tree it looks like Kehoe all along the line. Everybody had a smile and a handshake for our Congressman, even many of Judge Bennett's supposed adherents tumbling over one another to honor Mr. Kehoe. It is clear that the Republican candidate for Congress doesn't expect to be elected. He is only trying to make a big show from his home county in order to be recognized at the pie counter in event of Roosevelt's election.

Gus Wilson is touring the State for the Republicans. Gus is a nice, clean fellow and a plausible talker, but he lacks courage. The amount of kicks and cuffs he has stood from his party would have driven a brave man to fight or suicide. He seems to like it, however. Every time he offers for a nomination he is booted out into the street, until he has been kicked so full of holes that he can hardly hold his breath. He must like it because he keeps coming back for more. Every fresh kick seems to incite Gus to fervid bursts of oratory. He is so accustomed to these leather jars that he can not begin his speech until some strong fellow rushes up behind him and hands him a swift kick.

The judicial temperament is all right on the bench or in the White House, but it can be dispensed with in a candidate for the Presidency. Judge Parker has awakened to that fact. He is striking straight from the shoulder. His address on the Philippines was a masterful discussion of that all important question, embracing as it does the vital problem of maintaining foreign colonies, and denying to a conquered people their independence. The Judge lacks neither vigor nor courage. His views on these problems are of surpassing interest and his manner of expressing them gives proof that he will bring to the solution of them all the qualities of heart and brain so necessary in a Chief Executive.

PERILS OF LAND AND SEA.

Captain Willnef's Remarkable Escape Shows What to Do in Time of Trouble.

For many years, Captain Willnef, says the Times of Gloucester, Mass., was one of the best known seamen in the Gloucester fleet. The catarrhal troubles with which he suffered for fifteen years made him dread the nights at sea, being unable to lie down and sleep on account of the constant catarrhal dripping.

Captain Willnef went to two different hospitals for treatment, but could get no lasting benefit. He constantly raised yellow and green phlegm and his trouble became so unbearable and nauseating that he was ashamed to go out in company. When despairing of ever getting relief, his wife purchased a Hyomei outfit for him, and trying it before going to bed, he enjoyed the first whole night's sleep for ten years. Captain Willnef says: "I have used less than two bottles of Hyomei and have been cured by the remedy."

Hyomei kills the germs of catarrh and makes lasting and permanent cures. J. J. Wood & Son sells Hyomei under his personal guarantee to refund the money if it does not give quick relief.

Captain Wm. Rosser's family has moved into their recently purchased home on Walnut street, Fifth ward.

HEN FRUIT SCARCE.

Big Firms Have Controlled the Market and Higher Prices Are Expected Very Soon.

Commission men state the highest price ever known for eggs is in sight for this winter and before the "lay" of the hen is known again next spring housewives will have paid as high as 50 cents a dozen. The fact that a corner practically exists in storage eggs and that these were secured at the highest prices ever paid is the basis of calculation.

All during the spring and summer when eggs usually go less than 124 cents a dozen the price has never gone lower than 15 cents and has held most of the time at 18 and 20 cents.

Brief periods of high prices have heretofore been known but never before has the long-continued high price been maintained.

During the latter part of March and April and early May when storage men usually buy eggs at lowest prices, there were none bought for less than 15 cents and the majority of the eggs now in storage were bought at 19 cents. In one week Swift & Co. paid out \$3,000,000 for eggs. The big firms practically control the egg market and it is not likely that they will unload at any low figure.

It is the opinion of a commission man that the highest price ever paid for eggs will be along about January or February when the storage eggs will be drawn upon for the supply, and the firms which control the market will be almost able to dictate the price.

SERIOUS CHARGE.

Sixth Ward Merchant Accused of Detaining a Woman Against Her Will Twice Recently.

Mr. R. M. Wallingford, the Sixth ward grocer, was in 'Squire Grant's court Thursday afternoon charged with detaining a woman—Mrs. Louis Kress—of the same neighborhood against her will.

The alleged offense occurred early in July, but it seems the matter was kept quiet until recently, when, Mrs. Kress says, the defendant made further advances. Then she decided to tell her husband and brother of the affair, who proposed going after Mr. Wallingford at first in true Kentucky style, but after deliberating awhile and acting on the advice of friends they concluded to bring the matter into court.

The accused was held in the sum of \$300 to appear at the November term of Circuit Court.

He gave bail.

"A Royal Slave" which is recognized as one of the very best attractions on the road will be seen at the Washington Opera House next Tuesday. At the reception Thursday evening at the World's Fair Kentucky Building to the delegates and their friends attending the Christian Church convention, Mrs. Princess Long of Paris sang "My Old Kentucky Home." SURPRISED THEIR FRIENDS.

Unexpected Wedding of a Popular Maysville Couple at Covington Thursday.

While the engagement of Miss Bessie Hunter and Mr. Simmons Matthews of this city was known to many of their friends, it was with no little surprise that the news of their marriage in Covington Thursday was received here.

The couple, with a party of friends, left Wednesday morning for a visit to the Queen City, and it is supposed they concluded to take advantage of the opportunity to astonish the home folks, so they were quietly wedded by Rev. Price an Episcopal minister, leaving, after the ceremony, for a trip to the World's Fair.

The bride is a daughter of Mr. and Mrs. George T. Hunter of this city, and the groom is a son of Hon. Walter Matthews of Mayslick, but has made his home in Maysville for several years, being employed at the First National Bank.

Mr. Dan Peed of Paris took the grand prize on burley tobacco at the World's Fair.

The Vanceburg Sun says a man by the name of Applegate from Huntington was there last week looking for his wife who he claims is held captive on a shanty-boat. Parties who visited the boat claim that there was one woman on board who was not allowed to leave. The boat left Vanceburg several days ago and may be anchored near Maysville.

We have seen peaches and peaches, but never anything that even approached the one Mr. Lud Mills was exhibiting to his friends Thursday afternoon. It tipped the beam at twelve and one-quarter ounces,—think of that,—and is perfect in every detail. Mr. Mills raised this wonder himself, and the tree that bore this remarkably fine specimen produced over a half bushel this year almost as large.

T. S. Hamilton, executor of the estate of the late B. F. Power, has been indicted at Brooksville for false swearing. Commonwealth's Attorney Daum has been active in seeking to have back taxes collected from the Power estate, and upon hearing that the Power will would not be probated, asked the court to order the will produced. The statement was made that the will had been destroyed, but later it was found. This led to the investigation.

A Skin Game.

A man walks into a store and buys \$5 or \$10 worth of goods, tells the store keeper to keep the goods until he calls for them at a certain date and gives a \$50 or \$75 check on a bank for payment. The check is taken to the bank and returned marked "N. G." At the date given the man comes in for the goods and is informed that the check is not honored. He curses the bank but pays for the goods, starts for the door, then walks back and asks for the check. He gets it with the merchant's endorsement. In a few days the merchant is notified by the bank of a check cashed bearing his endorsement. The merchant then weeps.—Exchange.

Maysville Citizens Gladly Testify.

It is testimony like the following that has placed "the old Quaker remedy" so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Maysville citizen.

Mr. Elias Seudder, nurseryman, residing at 215 Casto street, says: "I had a good deal of pain at times in my right kidney and it constantly grew more persistent. When I learned of Doan's Kidney Pills I could hardly sit down in a chair, or rise without placing my hands to my back, and should I thoughtlessly bend over, it pained me severely to straighten. I procured Doan's Kidney Pills at J. Jas. Wood & Son's drugstore, corner of West Second and Market streets, and their use affected an absolute cure."

For sale by all dealers; price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
